

## **PART V: “I AM GOING TO LIVE FOREVER”**

---

***Probably not.***

**D**r. Ron Dobson, stating his ten rules for a healthy life, starts at number one by saying “Remember that you are not going to get out of this life alive.” This was brought home to me at age fifty-one when three good friends, including my college roommate, passed away. The doctor is right, so it makes good sense to plan ahead and think about when and why you are likely to want to exit from your business.
